ABOUT US

We, at **Avian** are on a mission for *“Enriching Global Health”*. Our journey began with a vision to build Avian as globally respectable healthcare solution provider and strive to make an impact using its diverse product portfolio. Avian International is a leading supplier of **Pharmaceuticals, Nutraceuticals and Medical Devices**.

With a presence spanning multiple continents, **Avian** delivers more than **250 healthcare products** to patients worldwide, where our impact reaches **over a millions of individual** each year. For more than a decade, we have succeeded in enriching global health by diligently supplying top-notch medicines and cutting-edge medical devices to individuals across the globe.

Operating within both primary and secondary care sectors, Avian International offers a comprehensive range of generics, branded generics, and hospital speciality products to meet diverse customer needs.

Our aim is to strengthen healthcare globally through engagement, cooperation and impactful solutions in close partnership with local stakeholders. Team Avian has an extensive global experience and is deeply passionate about delivering efficient and innovative healthcare products to our clients.

TOGETHER WE CAN
DREAM • BELIEVE • LEAD • ACHIEVE

Our unwavering dedication to quality, compliance, and innovation has earned us a significant reputation as a trusted partner in the healthcare industry. To achieve this, we have established a comprehensive quality management system that encompasses every stage of production, from sourcing raw materials to the final packaging.

Our state-of-the-art manufacturing and testing facilities are complaint with global regulatory standards. Our products comply with an official monograph in the most recent edition of the British Pharmacopoeia (BP), the US Pharmacopoeia (USP), and Ph.EUR where applicable. Also we follow ICH guidelines and respective country guideline for pharmaceutical products registration.

Our Quality Management System complies with ISO 13485:2016 and ISO 9001:2015.
